Financial Aid Cost of Attendance 07-08 Generic BSN (First Year – Full-Time: First or Second Bachelor’s)

Dear Student:

Applying for financial aid is a simple process. Please carefully complete all steps outlined in this letter as soon as possible.

1. Getting organized is an important part of the process.
 - Gather your 2006 completed federal income tax return. If you are married and did not file jointly, your spouse’s income information is also required.
 - Collect records showing your current balance of cash, savings, and checking accounts along with net worth of your investments.
 - Apply for a FAFSA *Personal Identification Number (PIN)* at www.pin.ed.gov to sign your FAFSA application electronically. If you already have a PIN, you do not need to re-apply for another.
 - Review prior federal student loan borrowing history through the National Student Loan Data System: www.nsls.ed.gov. Aggregate lifetime Stafford loan limit is \$23,000 for dependent undergraduate students and \$46,000 for independent undergraduate students.
2. Complete the 2007-2008 *Free Application for Federal Student Aid (FAFSA)* online at www.FAFSA.ed.gov. **Make sure to include school code 010142 for Touro College in New York, which is the correct designation.**

Please find below the Generic BSN Cost of Attendance for the 2007-2008 academic year. The **twelve** month loan period for this academic year is: July 9, 2007 to June 20, 2008. ***\$4000 extra first year computer purchase. Please keep this in mind for budgeting purposes since this \$4000 is for first year only.***

After completing the FAFSA, the steps below must also be completed for the Touro Financial Aid Office to award you financial aid. * Your subsidized loan eligibility might be adjusted based on your Expected Family Contribution (EFC) which is determined by the Department of Education. *** \$10,500 Stafford limit applies to independent students only.

3. Please complete the *Touro Financial Aid Packet* and if interested in Stafford loans, the *Touro Student Loan Request Statement* which must be sent back to the Touro Financial Aid office (forms may be downloaded from the Touro website).
4. If you are not required to file a federal tax return, you must complete a *Statement of Non-Filing* (online also).
5. First time Stafford borrowers at Touro need to complete the *Entrance Test* before applying for student loans. Go to www.Edfund.org and click on “EDTest” in the upper right corner. Be sure to complete the undergrad. Entrance Test.
6. To apply for an Alternative loan, you may choose from our recommended list of lenders or select another lender. Apply directly with your chosen Alternative lender.
7. Lender will contact you to complete promissory note if new loan.

If a refund of federal funds is due to you (i.e., federal loan funds exceed total tuition and fees), federal regulations allow the University fourteen business days to process the refund. Students who have completed all steps as quickly as possible typically receive refund checks during the first week of semester classes. Please note that your Stafford loan will not fully cover tuition and fees and plan accordingly by applying for an alternative loan or contact the Bursar about payment plan options. All loan funds are disbursed to the school and distributed to students after verification of satisfactory attendance and progress is completed. Please be certain to have other funds available upfront for immediate expenses such as purchasing books.
