**EXAM MASTER** - Take practice exams including more than 16,000 exam questions for USMLE, Medical Specialty Board Preparation for Basic and Clinical Sciences, and PANCE.

**MDCONSULT WITH FIRST CONSULT** - The prime online resource used by faculty, students and preceptors. The service includes approximately 50 online full-text books and 50 online full-text journals plus drug information, patient education handouts, practice guidelines and Medline search capabilities. Included in MDConsult is FirstConsult, a web and PDA-based clinical information system, which provides continuously updated, evidenced-based guidance on the latest in patient evaluation, diagnosis and management—all written and designed for rapid access at the point of care.

**NETLIBRARY** - Search 13,230 proprietary and public domain eBooks. WHEN YOU LOG IN THE FIRST TIME, CREATE YOUR OWN ACCOUNT. CHECKOUTS LAST FOUR HOURS.

**COMING SOON: EBRARY** - Full Text books.

**STAT!REF** - Search full text 30 medical books.

**UP TO DATE** - The premier point of service clinical medicine database providing current information on over 6,000 topics.

From the Jay Sexter Library homepage, be sure to access **PubMed with Linkout** - search for biomedical articles and then link directly to the full text of almost all of the journal articles subscribed to by the Jay Sexter Library, Touro University Nevada.

Also from the Jay Sexter Library homepage, be sure to access **Full Text Periodicals** by subject or by title.

And please remember to access the **ONLINE CATALOG** from the Jay Sexter Library homepage. Search by title or keyword or subject for books (in print and electronic), CDs, DVDs, flashcards, headphones, in other words, the entire collection held in our library.

If library materials are not returned by the date due, an overdue notice will be issued. When you return the late library materials, you will receive a fine notice. Fines are paid to the Bursar during business hours.

Gentle Reminder: You can access the Jay Sexter Library electronically from anywhere in the world that you have internet access. Use your remote login and password. If you've forgotten it, call 777-1740 or stop by the library. Touro policy prohibits emailing logins and passwords.

The following list represents the Board Review books currently in our Reserve Collection. Titles covering Steps 2 and 3 have been requisitioned and will appear in our collection shortly. Again, Exam Master is an invaluable Board preparation e-resource, which covers Steps 1, 2, and 3.

This bibliography includes major textbooks, handbooks, manuals, clerkship books and a few PDA resources. Recommendations for inclusion on this list are welcomed.

Notes:

- The Brandon/Hill Selected List of Print Books and Journals for the Small Medical Library is the main selection tool for libraries and an excellent indication of the value and importance of a medical book or journal. Many preceptors/attendings are familiar with the Brandon-Hill list so it's advantageous to be familiar with the term. Here is a link to the full list <http://www.brandon-hill.com/>
- All annotations in quotes are from the Majors.com website.

#### **Sites with Clinical Rotation Book Recommendations**

- Bookmarc.com <http://www.bookmarc.com/3rdyears.htm>
- UCSD Bookstore <http://bookstore.ucsd.edu/books/medical/clinical/index.htm>
- <http://www.usmle.net> Not connected with the National Board of Medical Examiners; nonetheless, this is a wonderful site with thoughtful annotations. Includes books on medical fiction.

#### **Free Medical Book Sites**

- Free Books 4 Doctors @ [freebooks4doctors.com](http://freebooks4doctors.com). 600 free full-text online medical books in 11 languages. Although many of the books are well known, the primary requirement for inclusion on this list is that the book is free.
