

Location and directions to Touro University.

Located in the northeast part of San Francisco Bay, Touro University occupies a spectacular 44-acre site which is only 40 minutes by ferry to downtown San Francisco, only minutes away from the Napa/Sonoma wine country and just a 4-hour drive to Lake Tahoe and snow country. While affording easy access to world-class museums, restaurants, performing arts, cultural festivals, and major league sports teams, the Mare Island campus provides a spacious, protected and tranquil learning environment consistent with the rigors and demands of a serious medical training facility.
